3. OFFERINGS <https://t.co/2lPeAA760i>

Alright, so tonight I'm going to discuss offerings. I'm also going to discuss why I think offerings are easy money makers. It's one of my trading strategies, but don't think that means you need to go buy every stock that has an offering. This might be long. Let's get started....

4. OPTIONS and WARRANTS <https://t.co/QdfFuEXaDn>

Let's learn the difference between stock options and stock warrants real quick.

Also want to go over option trading more.
