@MammothWhale

@KirstySNP You're literally funded by neo-Nazis. Your founder is opposed to LGBT+ clubs in schools because of "predatory gay teachers". You were warned by the UK’s advertising watchdog because of your misleading advertisement. You lot are moronic bigots to the

@ALLIANCELGB @KirstySNP And your constant erasure of bi people is so blatant, it's almost comedic that you attempt to deny it.

@ALLIANCELGB @KirstySNP You ally yourself with some of the worst people in the British commentariat, including blatant homophobes.

@ALLIANCELGB @KirstySNP And again.

@ALLIANCELGB @KirstySNP You're also opposed to conversion therapy in Australia, a process which is torture to LGBT+ people.

@ALLIANCELGB @KirstySNP Oh look, another homophobic ally. It's like there's a theme going on here.

@ALLIANCELGB @KirstySNP LGBT+ people have literally died to change laws across the world because of oppression. But according to you idiots this was never the case.

@ALLIANCELGB @KirstySNP This one speaks for itself - weird how you lot just love working with bigots, huh?

@ALLIANCELGB @KirstySNP You're also allies with a group that literally use the hashtag "say yes to hate".

@ALLIANCELGB @KirstySNP This one is just funny as it captures the attitude of your bigoted supporters.

@ALLIANCELGB @KirstySNP Once again LGB Alliance with their homophobic allies.

@ALLIANCELGB @KirstySNP And LGB Alliance opposing teaching kids about the existence of trans people (as a teacher myself, I'll happily do that anytime to my students).

@ALLIANCELGB @KirstySNP I could go on, but I think I've made my point. So when @KirstySNP says she doesn't want to talk to a hate group, she is 100% correct. And the end of the day you will be on the wrong side of history.

@ALLIANCELGB @KirstySNP And as a final point to my SNP followers reading this thread, a reminder that one of our own MSPs and our current Equalities Convener are supporters of this hate group.

@ALLIANCELGB @KirstySNP Actually, maybe one or two more. Wanting to reject the existence of non-binary people is one we can't ignore.

@ALLIANCELGB @KirstySNP You also want schools to pull out of anti-LGBT+ bullying too.

@ALLIANCELGB @KirstySNP Your colours literally make up the straight flag

@ALLIANCELGB @KirstySNP I mean....

@ALLIANCELGB @KirstySNP You're happy to misgender people, yet also police LGBT+ people for using the term "cis".

@ALLIANCELGB @KirstySNP Most of your supporters aren't even connected with the wider LGBT+ community.

@ALLIANCELGB @KirstySNP More of that from @DavidPaisley, see:

@ALLIANCELGB @KirstySNP @DavidPaisley Your founder accused the LGBT+ community of attacking straight rights.

@ALLIANCELGB @KirstySNP @DavidPaisley One of your founder is also happy to welcome...racists into your organisation.
