I would like to see Democrats produce even one shred of evidence or just one example of President Donald Trump calling for violence. Just one. That's all.

Meanwhile, they can enjoy their own words calling for violence repeated back to them ...

“There will be blood in the streets” — USAG Loretta Lynch (D)

“Show me where it says that protests must be polite and peaceful.” — CNN's Chris Cuomo

“There needs to be unrest in the streets” — US Rep Ayanna Pressley (D)

“Protesters should not let up” — Sen. Kamala Harris (D)

“I just don't know why there aren't uprisings all over this country. Maybe there should be.” — US House Spkr Nancy Pelosi (D)

“You get out and you create a crowd, and you push back on them, and you tell them they're not welcome anymore, anywhere!” — US Rep Maxine Waters (D)

“I will go and take Trump out tonight.” — US Rep Maxine Waters (D)

“When they go low, we kick 'em. That’s what this new Democratic Party is about.” — USAG Eric Holder (D)

“How do you resist the temptation to run up and wring her neck?” — MSNBC's Nicole Wallace on WH Press Sec. Sarah Sanders

“I'd like to punch him in the face.” — Robert De Niro on President Trump

“If we were in high school I'd take him behind the gym and beat the hell of of him.” — Democrat Candidate Joe Biden on President Trump

“When was the last time an actor assassinated a president?” — Johnny Depp

“Where is John Wilkes Booth when you need him” — Carole Cook

“They're still gonna have to go out and put a bullet in Donald Trump, and that's a fact.” — Rick Wilson, Dem Political Strategist

“I have thought an awful lot about blowing up the White House” — Madonna

... and there are TONS MORE examples just like these from Democrats calling for violence against their political opponents. What we now have from Democrats is highly-selective and fully partisan faux "outrage" as they turn a blind eye to their own crimes.
