@H4ckerRogue

So I've been reposted by fake accounts...tried to be doxxed by fake accounts...Reported by fake accounts...
Ask why?
Because I exposed to biggest #Larp the biggest #Shill of them all The Dark Judge TRDJ now suspended.the fake who said he was a @SpaceForceDoD @WhiteHouse @USAGov

@realDonaldTrump administration Operative with inside Intel...
Spreading fake news, fake information to is then Thousands of Followers.

Not only that...he has used graphic language and unfounded allegations...
Constant attacks of Doxxing and slander on me and anyone that dare question him.
These are just some screenshots of the constant threats of doxxing and attacks.

These failed doxx attempts of me...

Again some more failed doxxing...
See even he doesn't know I've been that many people...

Threats with a uncle of his who he says works for Cyber security to have my account.

Again fake threats from police...

Here he is attacking others...sometimes using Fake accounts..

With threats to reveal information..threats to other peoples followers...which hasn't happened.

More....
Saying I threatened him and his followers...sayingbhe has people leaking personal information...saying I should be scared of him...

Doxxing threats....

These are some posts he did with allegations of me being a paedophile all without evidence....and again calling me someone called Steve?

Some more threats...abiut releasing some more fake information...

Some more threats about getting unmadked by the fake Cyber Security...

Some more recent posts..

https://t.co/r8YExtVue7

Here's some more...

These are just a selection...i have more...
Why would someone want to go to this much trouble if what I've exposed not be true...
