Senate Majority Leader Mitch McConnell (R-KY) quashed two election integrity bills in July last year after receiving thousands in donations from Dominion lobbyists.

In July, McConnell blocked two bills, one that would provide

\$775 million to “bolster election security,” along with requiring a physical paper trail of every single ballot cast in the country, and a second that would mandate political candidates, their staff members, and their families, to notify the FBI if any foreign government offered

■Byrne: Operation Snowglobe

<https://t.co/m1hQnocDEF> Founder and former CEO, Patrick Byrne was interviewed by Ann Vandersteel on Monday and he told her, “I know what’s in the Durham Report and I’m gonna say it here: I bribed Hillary Clinton with \$18 million. I facilitated a bribe for Hillary Clinton on

January 14th, 2016, right here in this town [DC]. On behalf of the FBI, I – they came to me around December 1st, 2015, they told me Hillary had accepted a bribe from Turkey for \$20 million.”

PATRICK BYRNE: They told me that I would be working for a group in New York; FBI agents

who had authorization to set Hillary Clinton up in a sting. They asked me to facilitate a bribe for her. An \$18 million bribe from another government.

The bagman from that other government, I was to befriend and I was to get that person 10 minutes alone in a room with Hillary

Clinton. I did. On January 14th, 2016, Hillary Clinton was in this town and she accepted an \$18 million bribe. Attorney General William Barr knows this – Durham – this is what’s behind it all. I facilitated a bribe and she took a second bribe for \$18 million and I worked with the

FBI as I did that. They’re deeply involved with this. They came to me three days later and told me I had to forget about it and forget that it ever happened.

That way, Barack Obama's gonna manage Hillary Clinton for the 8 years she's President and then, she's gonna step down,

and Michelle's gonna run. And Patrick, that's the plan.'

That came out of the lips of a Federal Agent. It was confirmed to me this spring, the Durham Investig has located – that plan was called Operation Snowglobe. That was Brennan and Obama's name for it. A snowglobe.
