**It's Christmas. Do you think there are 3 wise men or 6 wise men? Or 6 wise men and women? Ever heard of Tuxedo Park, NY? How about the name Harriman?**

This is Mary Williamson Harriman. Interesting woman. She donated quite a bit of land and sold other parcels and businesses that now make up unincorporated Tuxedo Park.

Harriman c. 1927

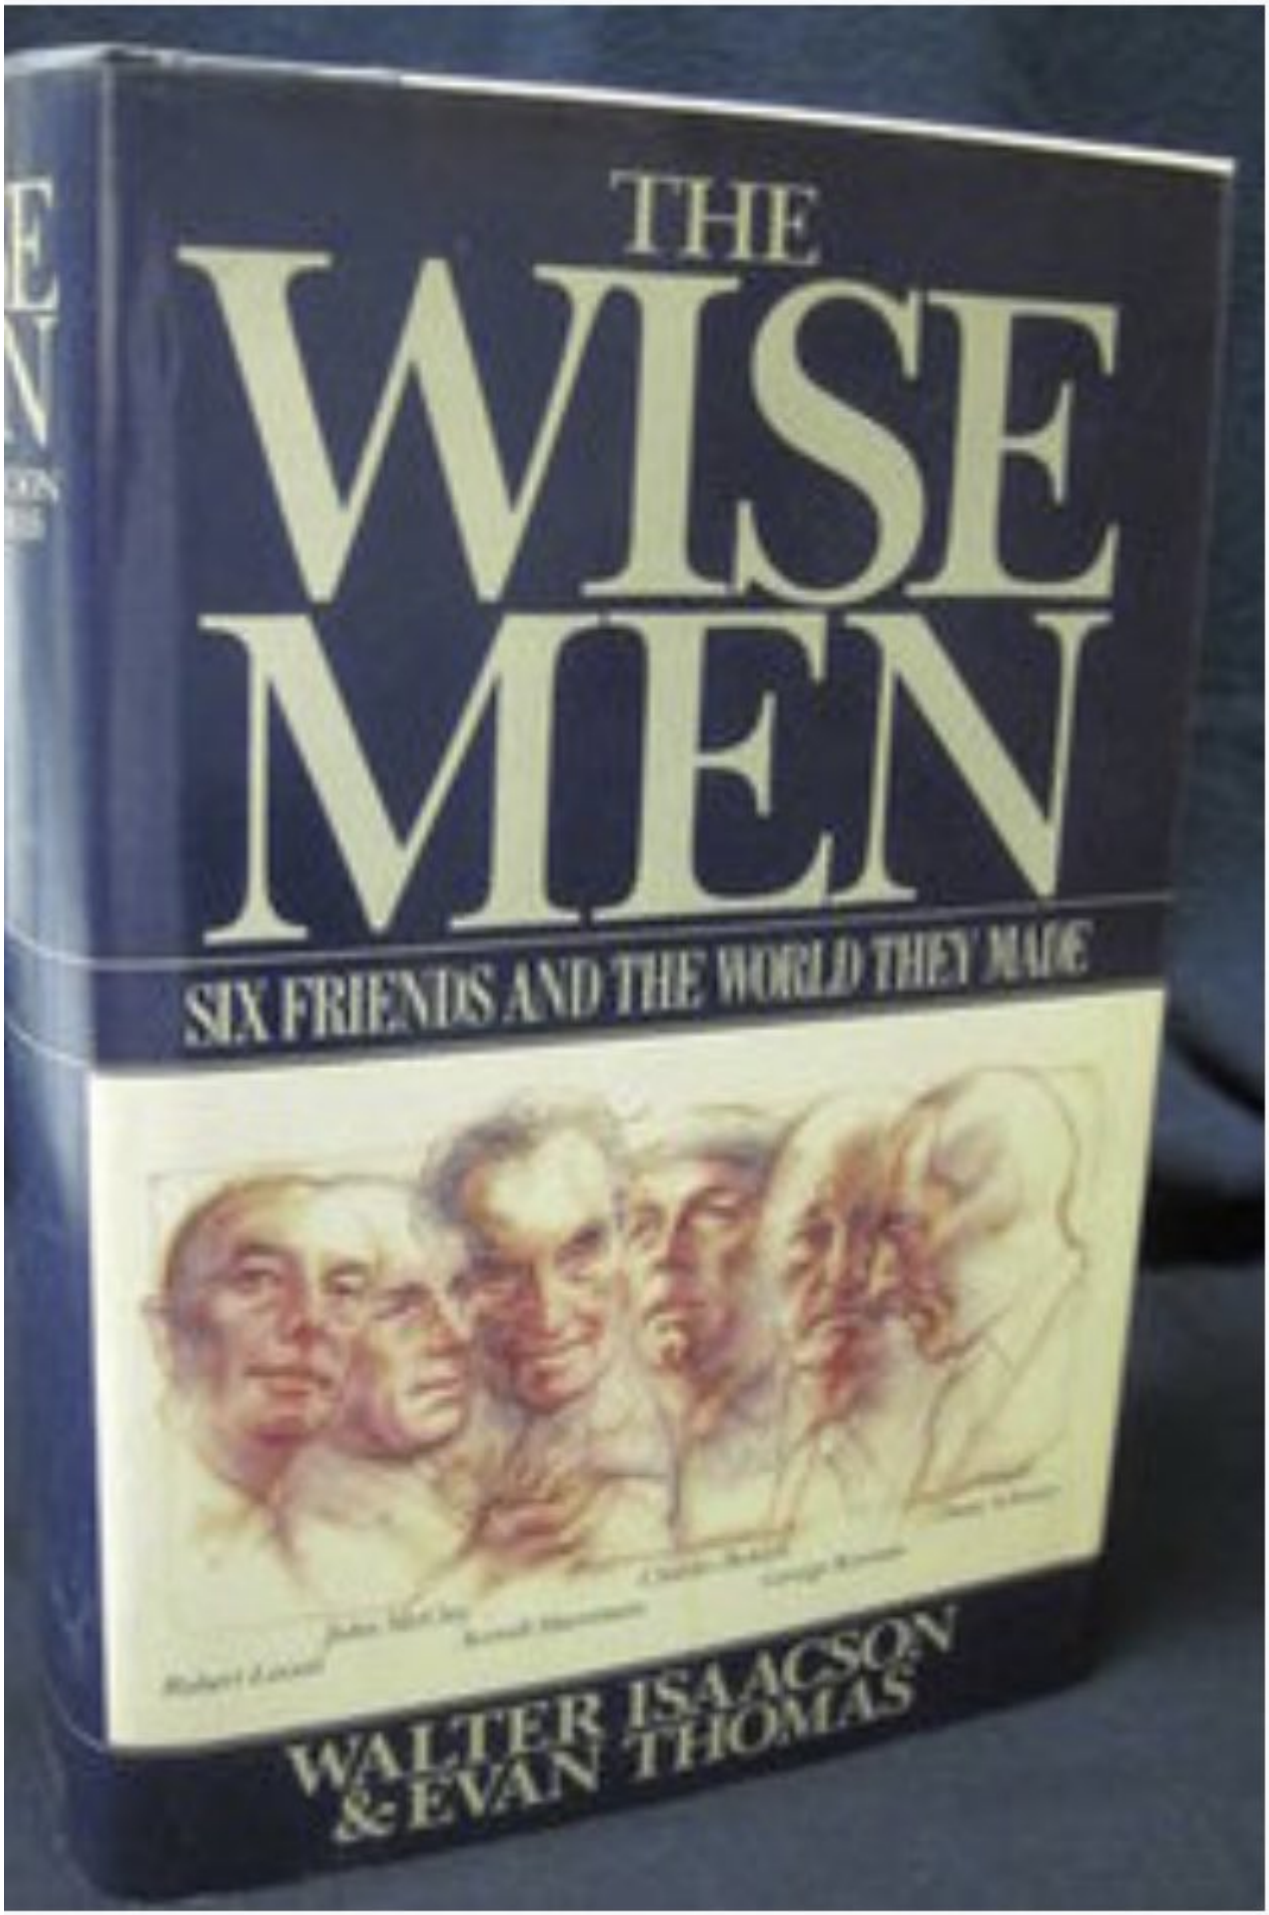

One of her sons is Averell Harriman. Served as Secretary of Commerce under Harry S. Truman. Potus and Flotus are standing under Harry S. Truman. He was also JFK's Asst. Secretary of State for East Asian and Pacific Affairs and also Under Secretary of State for Political Affairs.

**William Averell Harriman** (November 15, 1891 – July 26, 1986), better known as **Averell Harriman**, was an American Democratic politician, businessman, and diplomat. The son of railroad baron E. H. Harriman, he served as Secretary of Commerce under President Harry S. Truman, and later as the 48th Governor of New York. He was a candidate for the Democratic presidential nomination in 1952 and 1956, as well as a core member of the group of foreign policy elders known as "The Wise Men".

**W. Averell Harriman**

As a member of "The Wise Men," he helped create bi-partisan foreign policy based on the resistance to Soviet Expansion. The Wise Men were the "hidden architects" behind The Truman Doctrine, The Marshall Plan and Cold War containment.

After Kennedy's assasination, Averell was heavily involved with Vietnam under Johnson and then became affiliated with organizations like the Club of Rome and the CFR. The Skull and Bones Yale Grad went on to form Harriman Brothers and Company with his brother, Roland.

They merged with Brown Brothers and Company to create the highly successful Wall Street firm Brown Brothers Harriman & Co. Prescott Bush was a founding member.

Because of the Harriman's banking business ties to Nazis, many of their large assets were seized. Germany? China? Different era, different country, same threat of foreign influence and corruption? What would happen if we started seizing assets of "the families" today?

Here is my question. Who are "The Wise Men (and Women)" today? Do they represent 6 different "families?"

Whomever controls the media controls the mind. Backchannels are important.

Trolling is Fun.

Back to the tuxedo. Are we in a time of great flux? Social upheaval? Potus and Flotus in control? Does a new, non-deep state Wise Men (and Women) using backchannels got this?

We especially appreciate rebelliousness during moments of great flux or social upheaval — which are, coincidentally, the moments when tuxedos tend to resurface as a major theme in womenswear. When Deitrich filmed *Morocco*, for example, the glitzy, glamorous, prosperous Roaring Twenties were drawing to a close as the Great Depression set in. When Saint
