WHY TRUMP IS
THE JAMES BOND
WE NEED AND HOPE FOR

There is a reason so many people see @POTUS @realDonaldTrump as a mythic, heroic #Agent007 character...

Watch and listen...

1/

He is taking hit after hit, and always re-emerges a savvy winner...

But TRUMP is SO much more...

2/

The DIABOLICAL vote tabulation #fraude proves that GREAT FORCES are against him.

And us.
