So, uh, the Trump rally in DC is off to a good start

We're already at the anti-Semitic dogwhistle portion of the Trump rally

these people are out of their minds

"The Covid-19 PCR tests are fake ... the models were fake" -- Now a coronavirus truther/grifter is speaking at the Trump rally

"Who here is up to the task of not wearing a mask? ... Jesus is king and it's time to let freedom ring"

Hugo Chavez -- drink!

"I'm going to give everyone three action steps ... turn to the person next to you and give them a hug. Someone you don't know ... it's a mass-spreader event! It's a mass-spreader event!"

beyond parody

MyPillow guy Mike Lindell: "You need to pray for our vice president to look up to God & say, 'I need to make a decision, Lord,' & make the right decision for our country...you don't have a [civil] war when the other side didn't win anything...they were trying to steal it from us"
