this thread:

Petty-bourgeois radicals like [@Fiorella_im](#), [@Ihavenousefora1](#) are awed by Trump.
They think this fascist representative of finance capital is an "oppositional" figure,
they transform the mob wearing "camp auschwitz" shirts into oppressed victims.

[@Geneviewsws](#) [@jkishore](#) . [@Fiorella_im](#) was awed by Bernie Sanders, campaigned for him, now is mightily impressed
by the petty-bourgeois rabble in the Capitol. On behalf of which class did this fascist mob mobilize? Anti-socialist,
anti-Lockdown, anti-any measure to protect workers from #covid.

[@Geneviewsws](#) [@jkishore](#) In this discussion, the anti-WSWS ppl have explicitly called for orienting to the fascists.
[@Ihavenousefora1](#) and [@LincolnS1866](#) have both said socialists must win over the fascists in the mob in Washington.
Betrays hostility to mobilizing working class as ind'y social force.

[@Geneviewsws](#) [@jkishore](#) They argue Trump is to be defended, that he has "free speech" right to launch a coup. It is the
equivalent of saying "Hands off Hitler." And they claim to be offended when told they are aiding Trump.

As always, there's never any historic content...

@Fiorella_im @Oinklet2 @LincolnS1866 @lhavenousefora1 @ChaseLa74813330 @ComandanteMDT @WSWS_Updates @Geneviewsws @jkishore They should study history. Are they aware of the experience of the Red Referendum of 1931?

Ppl like @Fiorella_im who bounce from Sanders to Trump do not know where they will be in six months or six weeks. Petty-bourgeois radicals awed by fascist demagogues have nothing to do with socialism and the working class.
