#BanAashramWebseries is trending. It is important that everyone who feels so strongly against Habib Faisal, @prakashjha27, @thedeol's hate-Hindu project must review all our clips once.
We are putting all in this thread. +

> #Aashram Review 1:@prakashjha27 and Habib Faisal script yet another anti-saffron drama where @thedeol plays Hindu godman who rapes women
>
> Bollywood will give us the same script 1000 times but won't show the reality of maulvis and fathers even once pic.twitter.com/gnj4Rs3Odx

> #Aashram review 2:
> What do caretakers of Hindu ashrams do in free time?
> As per @prakashjha27 and Habib Faisal, they watch porn
> Bollywood picks up exceptions and presents them as norm
> Meanwhile studies show another community doing most sex-related searchespic.twitter.com/MZguZbQl13

> #Aashram review 3:
> Evil upper caste men beat dalit groom for riding horse @prakashjha27 & Habib Faisal will say they took cue from a real case. Fair enough
> How come no one takes cue from more common real cases where Muslims beat up dalit for pathani suit?pic.twitter.com/bQziUbFE5a

#Aashram review 4:
Hindu ashram is drug ka adda
Again, pick up exceptions and show them as norm
Why Bollywood never picks up mosques or churches as themes to show religious fraud? Why only Hindu places when many Nizamuddins have been biggest drug zones?pic.twitter.com/TqYsOdWJsP

#Aashram review 5:
Hindus are so casteist that 'upper' caste women interrupt private conversations of 'lower' caste women in public places to insult them as pig rearers & sewage cleaners.
Happens when a Habib Faisal scripts hate with @prakashjha27 pic.twitter.com/jZRKFx84Gn

#Aashram Review 7:
Hindu Guru spends evening sharing alcohol with partner to scheme votebank plans

Whole world knows where votebank and crime are rampant

This is #Aashram scripted by Habib Faisal, produced by @PrakashJha27, acted by @thedeolpic.twitter.com/gXQE0D9zi3

#Aashram review 6:
How to turn sacred Hindu chants and mantras as demonic and menacing? Use them as background scores to show saffron-clad sadhus committing murders and rapes.
Aashram ticks all checkboxes in Hindu hate.
Then #PalgharSadhuLynching happens pic.twitter.com/Mhg1UJO3Xz

#AashramChapter2 by @prakashjha27 and #HabibFaisal will scare any Hindu who aspires for spirituality. Aashram mixes drugs in prasad to make youth addicted and increase political clout

Reality: Ajmer Dargah region is #1 religious place with drug problem +pic.twitter.com/EHgqf6QrM5
