...slandered me through a linkage to this Hollywood locale. If you ever get a single, lonesome fact correct in your entire fecal-flecked career of rote hackery -- and that is an ambition to exceed your entire skillset -- know this: I live and work in Baltimore, Maryland, where...

...the citizenry make a point of pausing in our routine of nightly intramural violence and disorder whenever we catch the scent of a true and enduring piece of shit edging over the city line, whereupon we close ranks and hunt that low fucker en masse, bag him live...

...then barter him off in pieces for crack vials and bags of Utz crab chips. So, yes, you dumb scrotelicking welp of a mediawhore, stay where you are or keep hunting for me in West L.A. because Baltimore is not your speed, as facts and reality are not your domain.
