> One of the most Monkey's Paw things about my life is my relationship to books. When I was a teenager, I read all the way through the school and public libraries, spent everything I had on books, and still couldn't get enough and dreamt of more.

My first picture book is out! It's called Poesy the Monster Slayer and it's an epic tale of bedtime-refusal, toy-hacking and monster-hunting, illustrated by Matt Rockefeller. It's the monster book I dreamt of reading to my own daughter.
