18. Investment banking – Kanye, Yeezy deal
https://t.co/ELxXp9fHQg

Kanye owns 100% of Yeezy. Adidas produces & distributes them. He gets royalties of 15% of the sales and it's closer to 10-11% after expenses.

Basically, Kanye makes 10c for every $1 in Yeezy sales.

AKA didn't even have a contract secured. He stood absolutely no chance.
