Question only for those who followed the thread in quoted tweet.

Did you manage to learn the names of 27 Nakshatras from this thread? Are you revising the names even now?

From today, we will memorize the names of 27 Nakshatras in Vedic Jyotish to never forget in life.

I will write 4 names. Repeat them in SAME sequence twice in morning, noon, evening. Each day, revise new names + recall all previously learnt names.

Pls RT if you are in.
