**Question only for those who followed the thread in quoted tweet.**

**Did you manage to learn the names of 27 Nakshatras from this thread? Are you revising the names even now?**

From today, we will memorize the names of 27 Nakshatras in Vedic Jyotish to never forget in life.

I will write 4 names. Repeat them in SAME sequence twice in morning, noon, evening. Each day, revise new names + recall all previously learnt names.

Pls RT if you are in.
