The pradakshina or Parikrama done around the temple holds a deep intended meaning. The idol made up of earthly matter absorbs all the energies produced when you light camphor, ring the bell, or offer flowers. Once all your five senses activate, you tend to absorb all kinds of

# Why do we do Parikrama in Hindu Temple

www.vedicgyaan.com

The pradakshina or Parikrama done around the temple holds a deep intended meaning. The idol made up of earthly matter absorbs all the energies produced when you light camphor, ring the bell, or offer flowers. Once all your five senses activate, you tend to absorb all kinds of positive energy by circumnavigating around the garbhagriha of the temple.

vedicgyaanindia/   

positive energy by circumnavigating around the garbhagriha of the temple.
