#35 POTUS will be well insulated/protected on AF1 and abroad (specific locations classified) while these operations are conducted due to the nature of the entrenchment. It is time to take back our country and make America great again. Let us salute and pray for the brave men

and women in uniform who will undertake this assignment to bring forth peace, unity, and return power to the people. It is our hope that this message reaches enough people to make a meaningful impact. We cannot yet telegraph this message through normal methods for reasons I'm

sure everyone here can understand. Follow the questions from the previous thread(s) and remain calm, the primary targets are within DC and remain at the top (on both sides). The spill over in the streets will be quickly shut down. Look for more false flags – stay alert, be

vigilant, and above all, please pray. "For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life. Love is patient, love is kind." God bless my fellow Americans. 4,10,20
#4 Some of us come here to drop crumbs

, just crumbs. POTUS is 100% insulated - any discussion suggesting he's even a target is false. POTUS will not be addressing nation on any of these issues as people begin to be indicted and must remain neutral for pure optical reasons. To suggest this is the plan is false and

should be common sense. Focus on Military Intelligence/ State Secrets and why might that be used vs any three-letter agency What SC decision opened the door for a sitting President to activate - what must be showed? Why is POTUS surrounded by generals ^^ Again, there are a lot

more good people than bad so have faith. This was a hostile takeover from an evil corrupt network of players (not just Democrats). Don't fool yourself into thinking Obama, Soros, Roth's, Clinton's etc. have more power present day than POTUS. Operation Mockingbird Patriots are

in control. Sit back and enjoy the show. #FightForTrump #FightLikeAFlynn #BeBest
