9 websites you gonna be obsessed with:

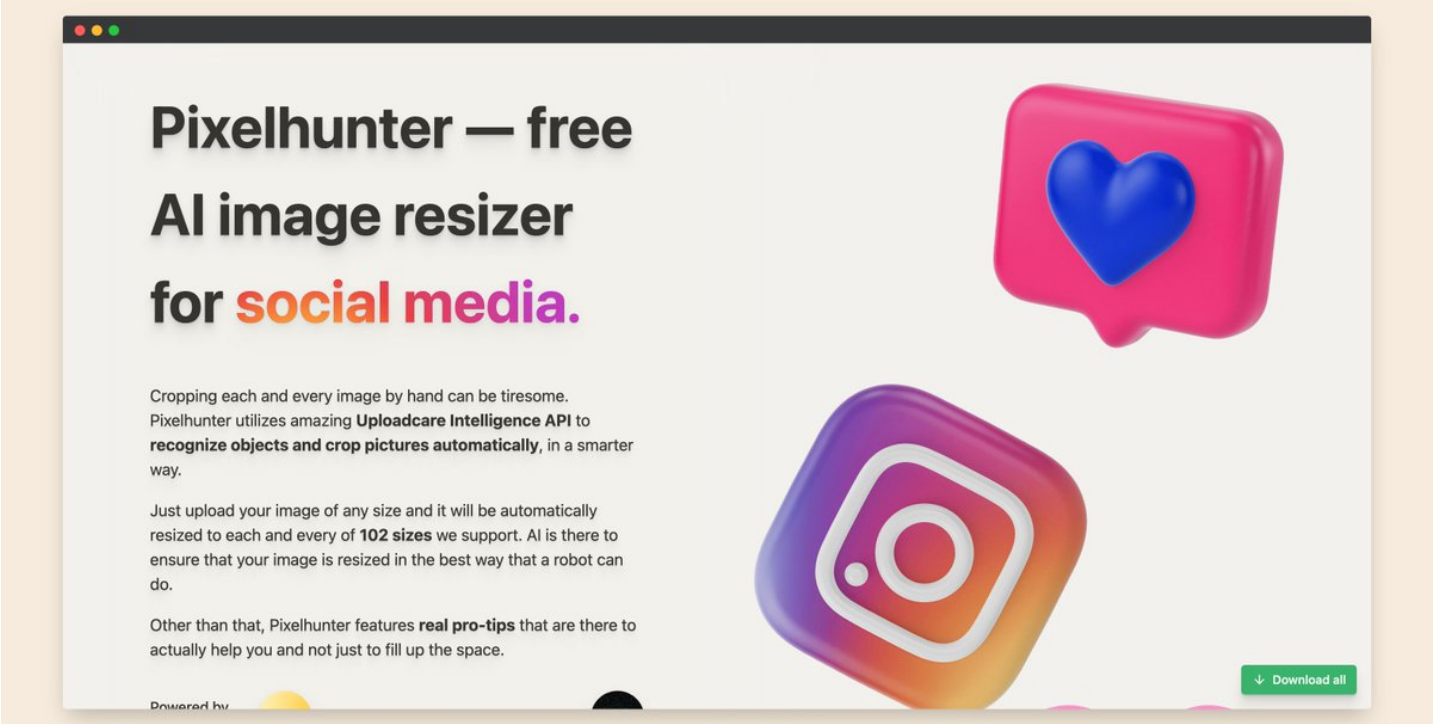

1. Pixelhunter

AI-based image resizer for social media.

■Why you'll love it?

Just upload your image once.
It automatically resizes into 102 sizes.

Isn't it magical?

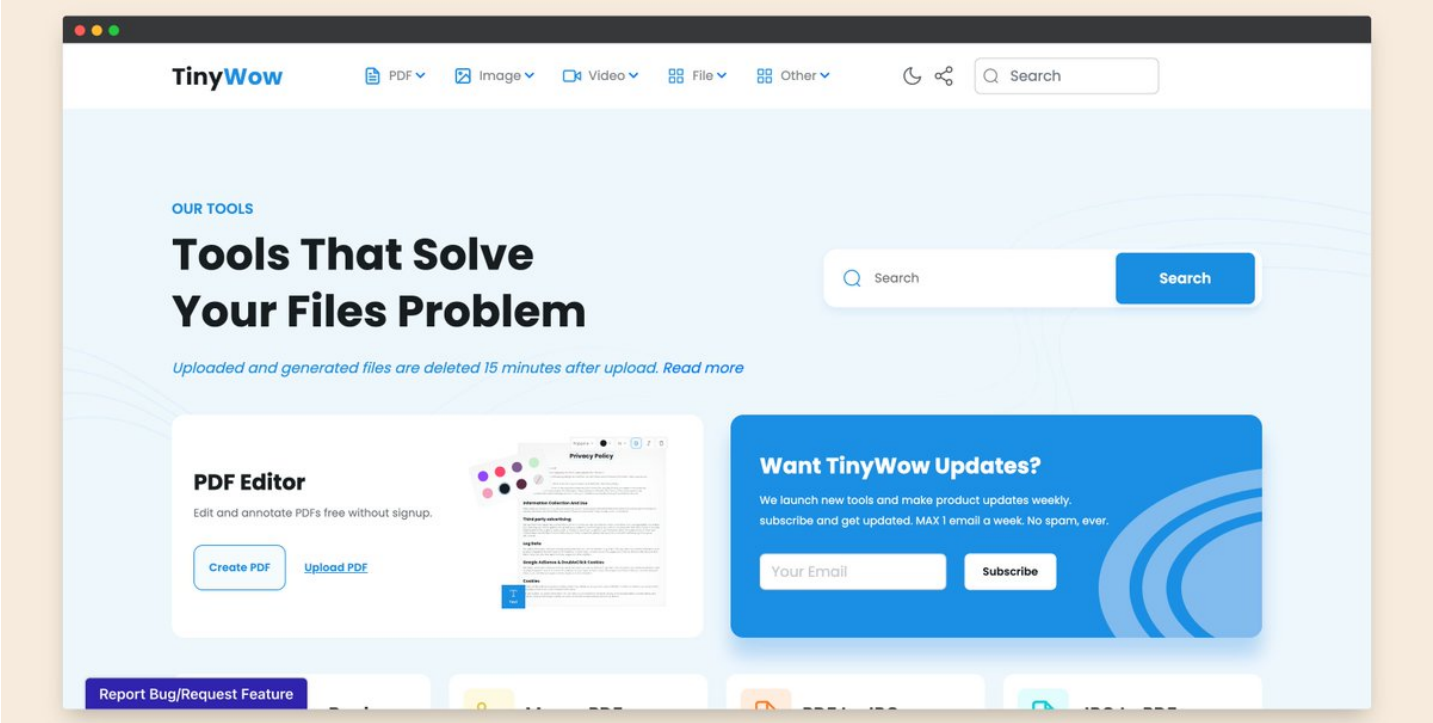

2. Tinywow

TinyWow provides free online conversion, pdf, and other handy tools to help you solve problems of all types.

■Why you'll love it?

Privacy. All files both processed and unprocessed are deleted after 15 minutes

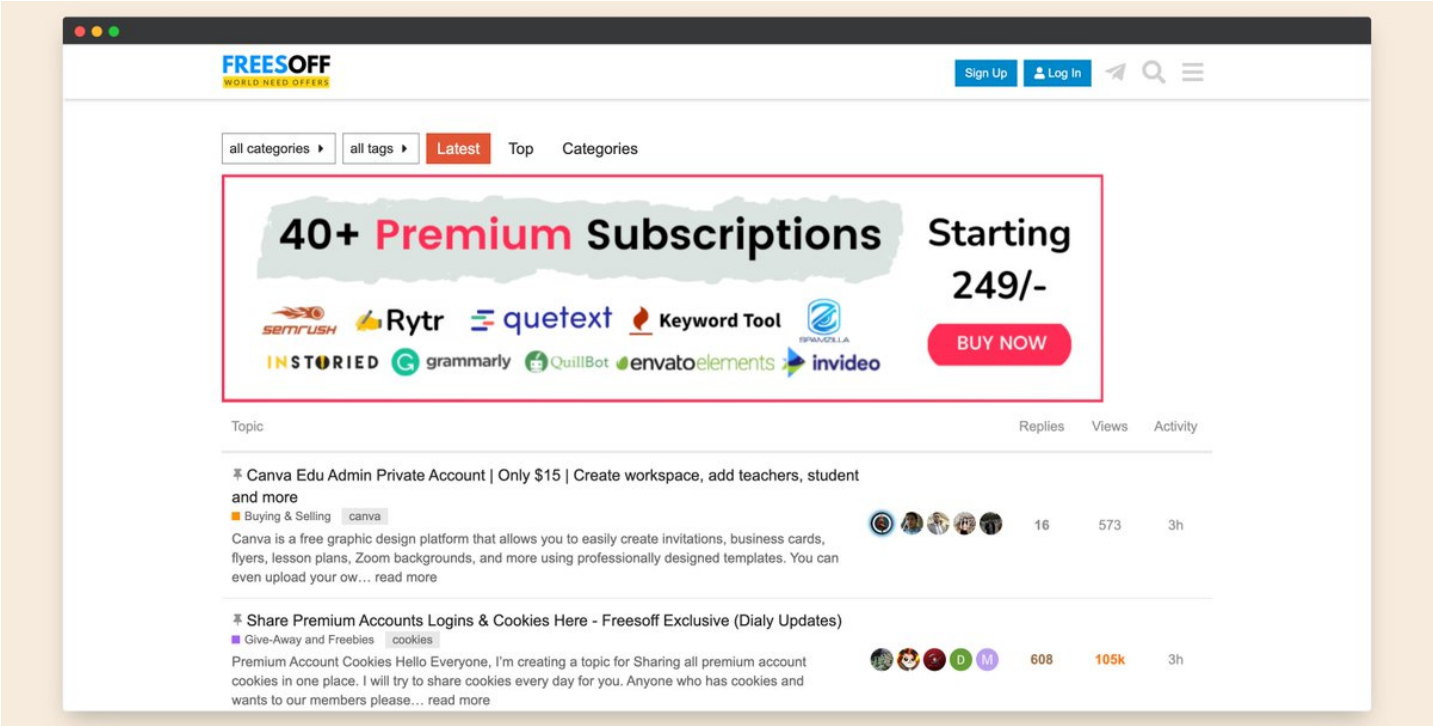

3. Freesoff

Free Courses, Software and Useful Methods

■Why you'll love it?

Offers infinite free resources - books, courses, software.

Try out.
Search your interested topic and you will find a free resource.

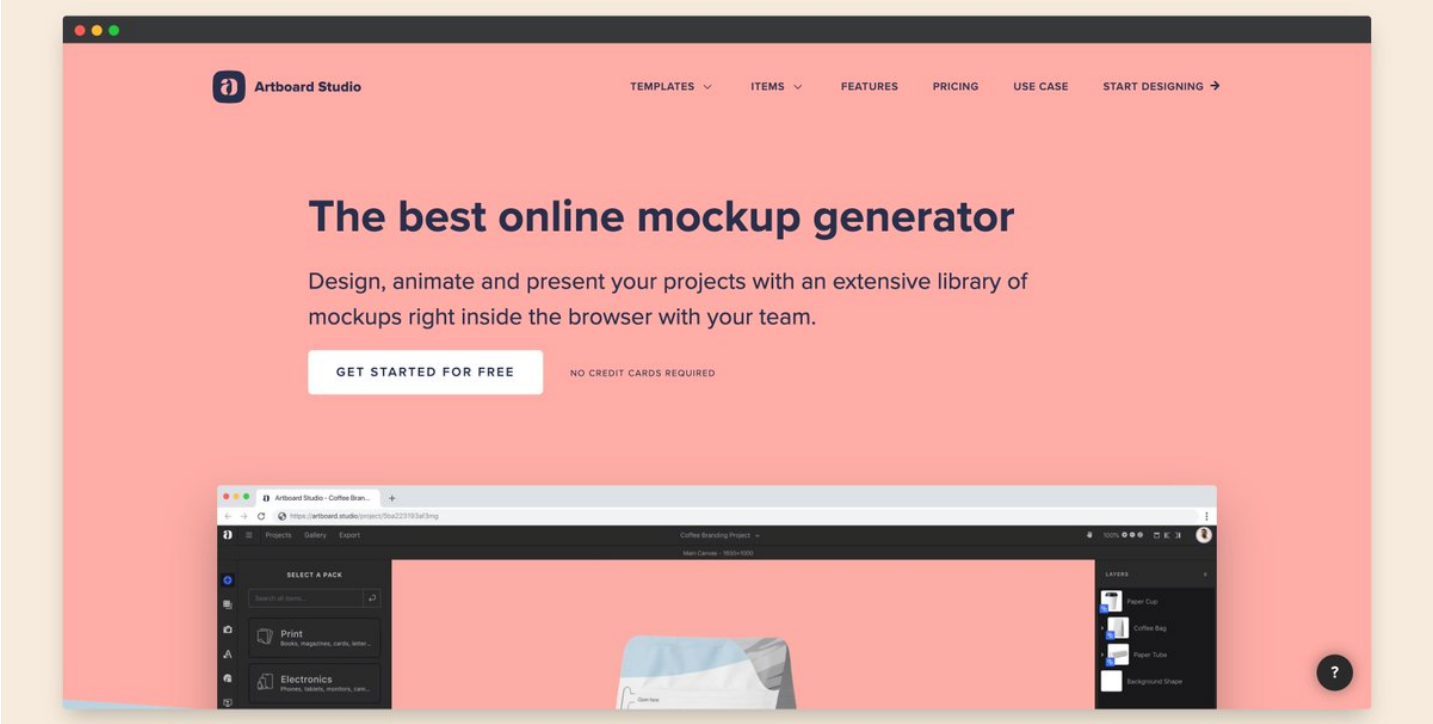

4. Artboard Studio

The last mockup creator tool you will ever need.

■Why you'll love it?

Extensive library of mockups for your requirements.

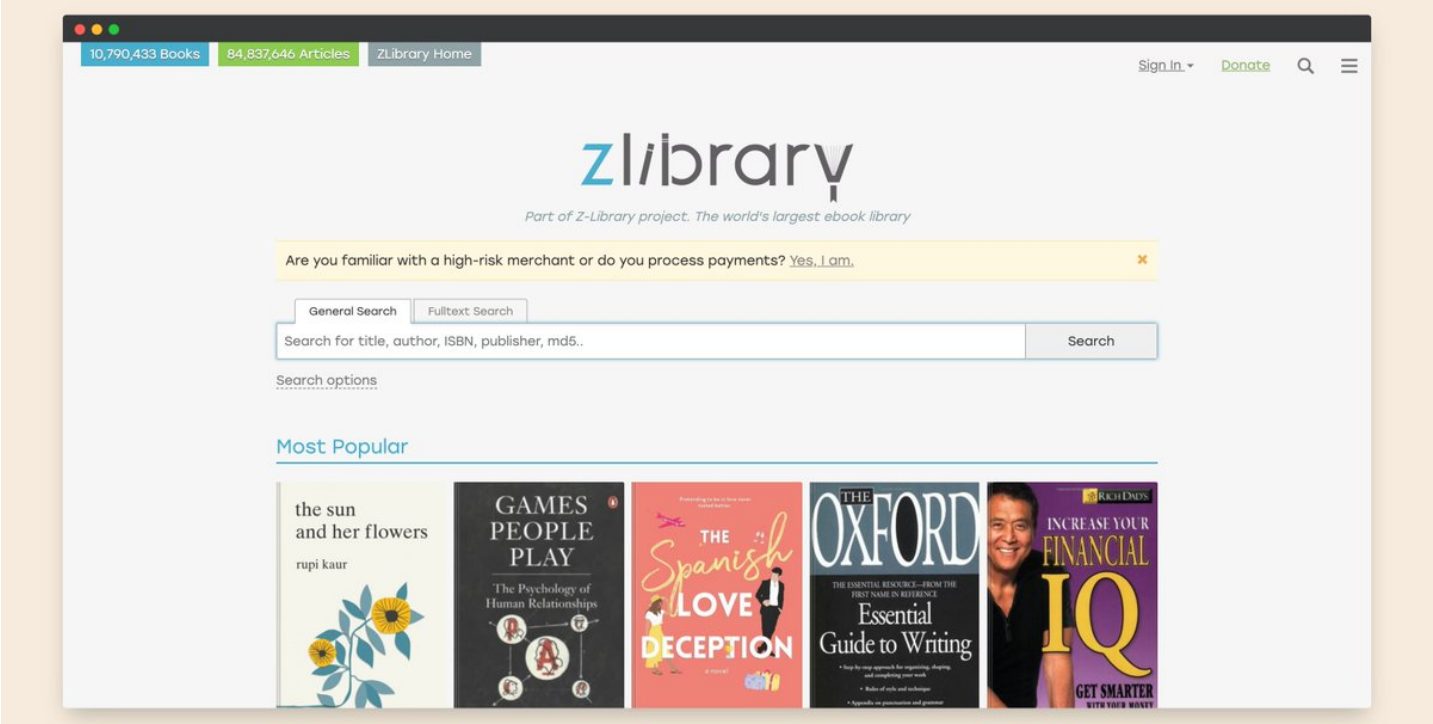

5. Zlibrary

The world's largest ebook library

■ Why you'll love it?

10,790,433 Books
84,837,646 Articles
All FREE.

You don't need anything else.

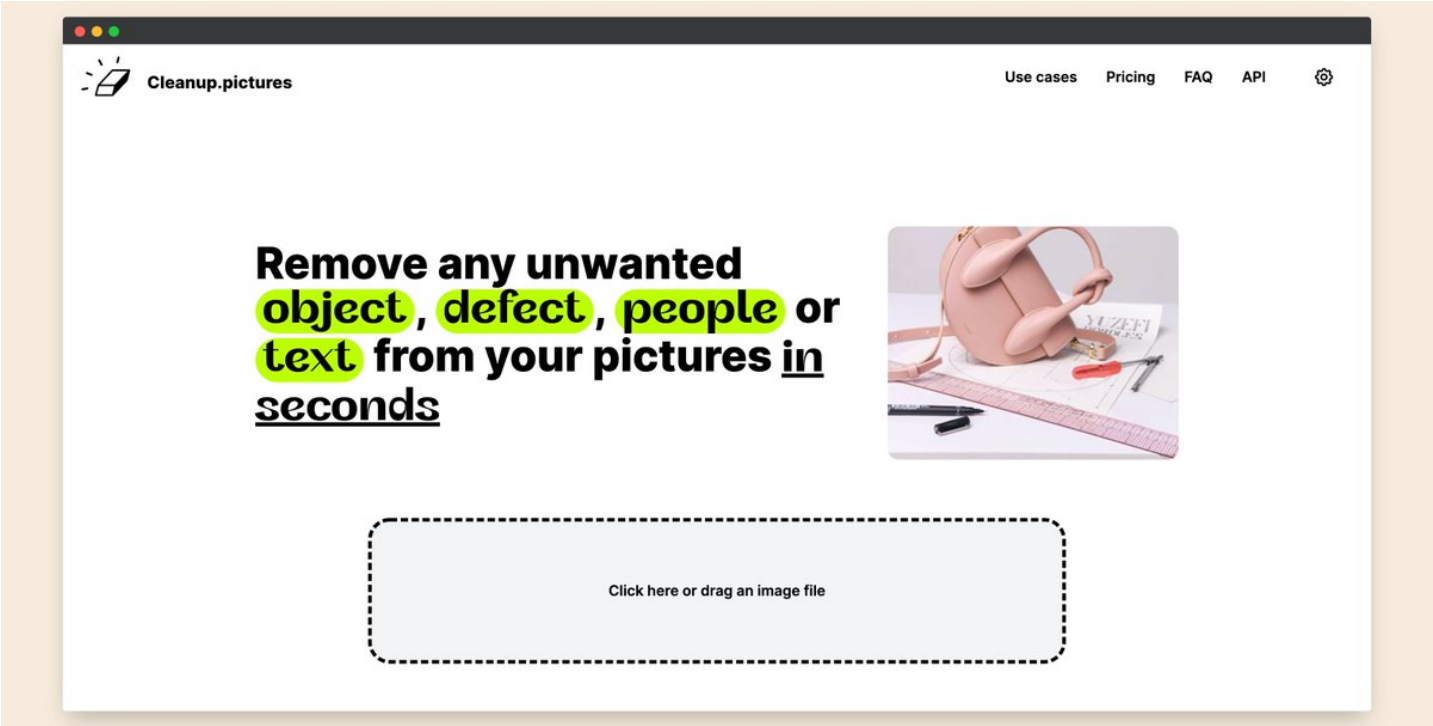

6. Cleanup Pictures

Retouch images in seconds with incredible quality

■Why you'll love it?

Remove the background of any image for free with incredible accuracy and ultra-high resolutions.

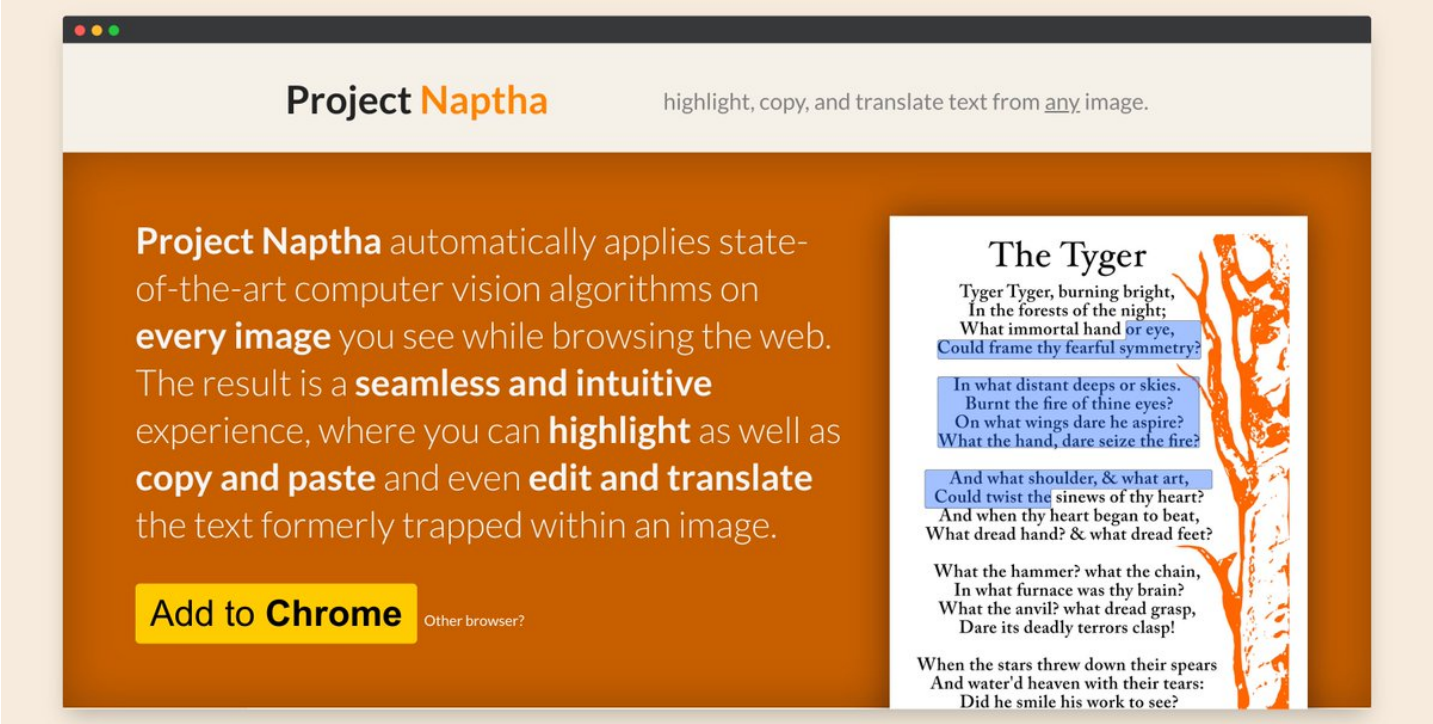

7. Project Naptha

One of the best google chrome extensions.

■Why you'll love it?

Allows you to edit and translate the text formerly trapped within an image.

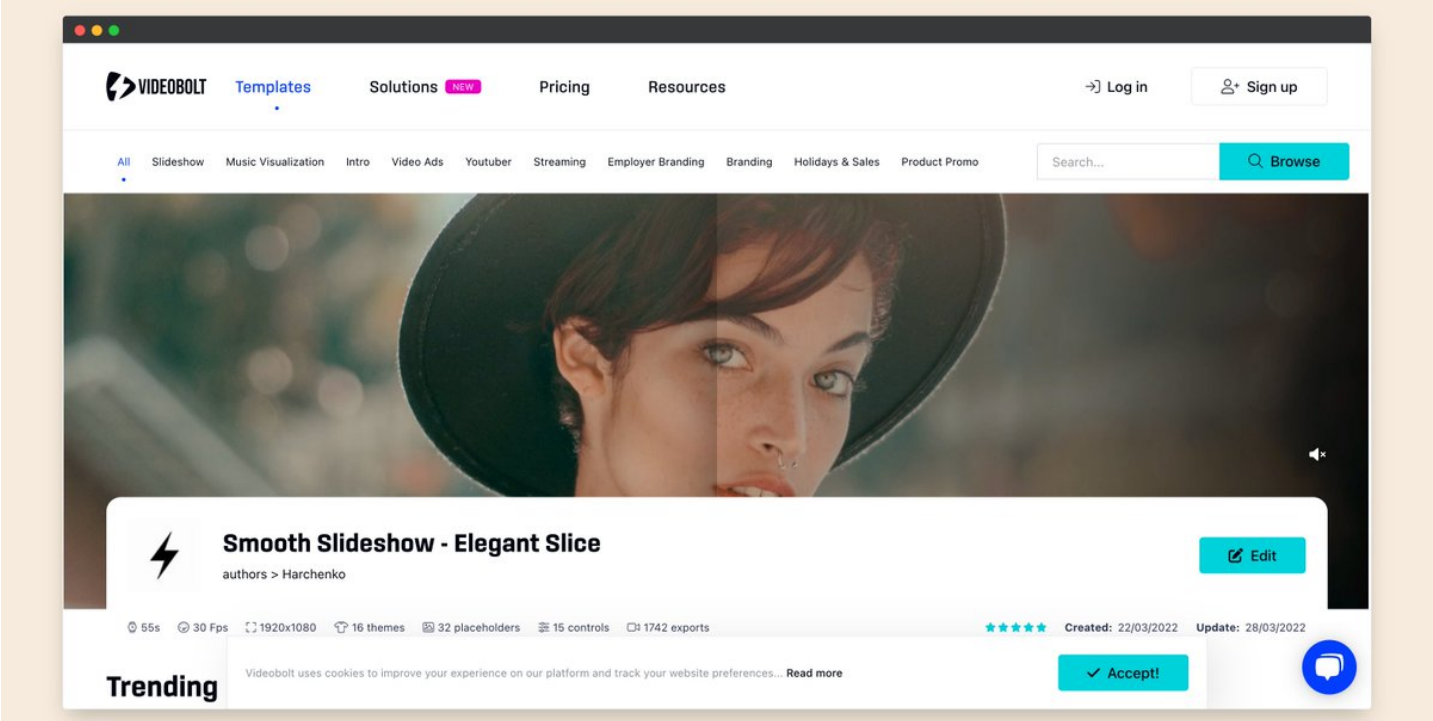

8. Videobolt

Making high-quality videos available to everyone.

■Why you'll love it?

Offers Professionally designed video templates to take you from concept to publish in minutes.

9. Open Peeps

A hand-drawn illustration library.

■Why you'll love it?

The library is in the public domain.

This means you can copy, modify, distribute, remix, burn, and use the work, even for commercial purposes, without asking permission.

That's a wrap!!

Hope you'll find these curated websites helpful.
