Investing Lessons from the greatest investors of all times.

Peter Lynch, Charlie Munger, Sanjoy Bhattacharyya and Philip Fisher.

Some notes on investing, savings and power of compounding!

Will keep adding stuff.

Like and retweet for wider reach.

A thread of threads!

What difference it makes if you start investing early?

<https://t.co/ksxWNQk5BY>

That's why it is so important to start investing as early as possible.
