The year of 2020 has been very challenging due to the COVID-19 pandemic as it disturbed life all over the world.
@Jonthoughts01
#PakArmyVirtueOfExcellence

It also inflicted serious impacts on the PAC project of JF-17B Thunder Block-III as the entire complex has remained under lockdown," said Air Chief Marshal Mujahid.

#PakArmyVirtueOfExcellence

The PAF chief lauded PAC Kamra for upholding its traditions despite the most challenging times of the pandemic.
@Jonthoughts01
#PakArmyVirtueOfExcellence

I would like to commend the entire team and PAC leadership including chairman PAC and managing director AMF for their concerted efforts to meet the project deadlines," said Air Chief Marshal Mujahid.
