THREAD: tomorrow, Jan 25 is the global day of action for Yemen. Here's a list of everything you can do to support it ■■■■■■

Show up in person if you can! there are protests happening all over the world. You can look at the action map here and RSVP to one! https://t.co/5jbHhdFY12

Register for the online rally happening tomorrow featuring @mrdannyglover, @jeremycorbyn, @CornelWest , @shireen818 and more! We will be highlighting the importance of ending US/UK/Canadian etc support for the war and the weight of the crisis! https://t.co/TYqcLX3zMJ

if you can't get out to a protest, no worries, social media action is super important too! Use these super easy toolkits to take action online.
Here's one the entire world can use! https://t.co/vAXlZDvKL9

Here's one for the UK! thank you @STWuk ❤■ https://t.co/p6VoJZNqVG

do you know @blackrock finances the weapons companies that make the war in yemen possible? @nancymancias put this social media toolkit together to call blackrock out! send some tweets here: https://t.co/6r5yEV36sb

Join me in donating $10 (or more, or less, whatever you can do) to @yemenrrf. Yemen Relief is a Yemeni run and led group that gets aid to the most hard to reach places in yemen. They are the MOST trusted aid group in yemen.

if you are in the US, you should know that we are one of the biggest allies to saudi arabia in this war. You should call 1-833-STOPWAR to be connected to your congresspeople. say you don't want the US to support or sell weapons to saudi arabia anymore.

follow these people/orgs who do great work on yemen and can keep you up to date on actions etc #worldsaysno #yemencantwait
