No surprise that the Russian influence campaign is similar in Australia & the U. S. It's worth watching "Putin’s Patriots: Russian money and influence in Australia" by the ABC

Mitch McConnell's buddy, Oleg Deripaska, is

Let's not forget that McConnell enabled sanctions to be lifted from Deripaska's companies, EN+, Rusal, and EuroSibEnergo, even though a bipartisan group of Senators were against it.
https://t.co/H4tJDc0jSP

https://t.co/RlIDzdUOD3

Deripaska's Rusal then invested $200M in a proposed KY aluminum mill. McConnell's statement that this had nothing to do with blocking the vote against allowing the Treasury Dept. to lift sanctions is dubious.
https://t.co/IrnRblttGg

Article that ABC published covering the same information that is in the above linked broadcast on YouTube.
https://t.co/1Jq3PHf9tY

Information on Russian groups in Europe and North America.
https://t.co/9Dvya0oDAH

Hard to believe that Florida has a Russian "motorcycle club named after Russia’s powerful special forces." /s
