McConnell wife Elaine Chao’s father founded shipping company Formost Group.

Most of Formost’s ships were built by China’s state-owned China State Shipbuilding Corp (CSSC).

CSSC is one of the top 10 defense groups in China.

> \u201cMcConnell\u2019s marriage into the Chao family dynasty has coincided with a trajectory of ever-increasing personal profit for McConnell and the Chaos, as well as Chinese state business interests.\u201dhttps://t.co/g7HbYGbsZI
