Newsweek — #Iran has sent deadly "Shahed-136 suicide/kamikaze drones" to the Houthis in #Yemen. These advanced UAVs are deployed to the Houthi-controlled northern Yemeni province of Al-Jawf.

More reason why the West should not appease Tehran.

MSM carefully plays its role of whitewashing the crimes of the #Iran-backed Houthi terrorists by labeling them as a "movement."

U.S. to Declare Yemen's Houthis a Terrorist Group, Raising Fears of Fueling a Famine

The State Department's terrorist designation may be more symbolic than searing for the rebel movement, but it could aggravate Yemen's human catastrophe.
