**Thread on how PDM failed:**

**1) No sight of common man + families in Jalsas; mostly party workers which explained that public is not with them**

**2) BBC interview by Bilawal where he asked Nawaz Sharif to produce evidence before accusing army chief**

**#PakistanRejectsPDM**

**3) Maryam back tracking and being open to discussion with Army (again on BBC interview), even the people who got fooled by revolution, understood that Maryam is wrong number**

**4) Work from home (woh bhi abroad wala home) revolution of Nawaz Sharif rejected**

**#PakistanRejectsPDM**

5) Serious defeat of both PPP & PMLN against PTI in Gilgit Baltistan elections showed that Pakistanis trust PM Imran Khan

6) Epic Failure of Lahore Jalsa (this hurled them more than anything because monumental hope was from that Minar e Pakistan event

#PakistanRejectsPDM

7) Maryam’s frustration after Lahore Jalsa failure where she talked about Saza / Jaza

8) Maryam’s trust in Bilawal for “Aar ya Par” resignations decision, Zardari Kafi Bhari broke their hearts, not more than PM's playing with dogs picture during Lahore Jalsa

**IMRAN KHAN JALSA**  
**29 APRIL 2018**

9) Maulana's complaint about Maryam's selfish politics to Nawaz showed that they have trust issues. PPP practically left at that point too

10) Maryam's Israel tweet mistake and several other twitter mistakes (photoshopped images) showing desperation

#PakistanRejectsPDM

11) Patience of PM Imran Khan and Army Chief - this was the true masterstroke. Folks like Najam Sethi and Hamid Mir hoped for Govt's mistakes in dealing with PDM but "Trust Khan and Keep Calm" mantra worked. At no point, PM was worried about PDM.

12) The people of Pakistan - We give very little credit to the common man who saw through the PDM agenda of “Papa Bachao and Power may Aao Muhim” ; In this campaign, their rejection of PDM played a huge role.

#PakistanRejectsPDM

13) #PTIFamily - the way PDM narrative was countered and exposed on Social Media by Insafians & Pakistanis in general was praiseworthy. Even on their “D-Day - Lahore Jalsa” , they were behind the PTI hashtag all day

14) During PDM events, their journalist wing got totally exposed when they took petition to Islamabad High Court to allow Nawaz Sharif's speeches on TV. So many big names got exposed and that dented the credibility of their narratives on TV.

proclaimed offender or an absconder?

Is a convict, proclaimed offender or absconder deprived of the fundamental rights guaranteed by the Constitution, including the right to express? Is the right to express not an inalienable right that may only be regulated by law to the extent permitted by Article 19 of the Constitution? Are the restrictions on a convict's ability to express not restrained only on account of the physical lack of access to means of communication on account of applicable Prisons Rules?

Are the adverse consequences that an absconder can be subjected to not

To conclude, I would say that the unnatural alliance, no public interest cause, Maryam's selfishness & arrogance, pro PDM journalists credibility dent, PTI Social Media, PM IK's patience, & "Basha'oor" people of Pakistan contributed to PDM's failure. #PakistanRejectsPDM
