#NationalAuthorsDay Hi! Here's a thread about how I love you for buying my books anywhere, but I especially love when you support independent bookstores. You can get delivery through @indiebound via a store near you. Read on for places I love around the US and beyond...

In Asheville, North Carolina, go buy or order some great books by authors you love (hint, hint) via @Malaprops! #NationalAuthorsDay

In Chapel Hill, NC visit @FlyleafBooks. If they don't have my books in stock, I bet they'll order them for you! This is also true for other authors! #NationalAuthorsDay

In New York and NJ visit @wordbookstores! Ask for my books if they don't have them, and also buy lots of stuff by other authors! #NationalAuthorsDay

In Washington, D.C. visit @PoliticsProse for all your #NationalAuthorsDay needs. Ask for my books and those of hometown hero @baratunde and also buy cute objects!

In Portland, OR head to the GOAT @Powells! Ask them for my stuff, buy one of their 18 billion other authors, get a cookie, live your finest life! #NationalAuthorsDay

In Los Angeles, CA you happen to be in an amazing city for independent bookstores! Los Angeles is in fact a marvelous literary town, so visit @lastbookstorela IMMEDIATELY! #NationalAuthorsDay

In LA, go to the fantastic @skylightbooks where RUMOR HAS IT there is one signed copy of my book #DCTRIP with a very special message just for you... #NationalAuthorsDay
